### XIII Annual Report and Documentation Report

#11 - The number and percentages of students by race, ethnicity and LEP status during the current school year of students applying for entry, denied entry and accepted for entry into the GT Program district-wide.

Kindergarten students were all screened for gifted and talented characteristics. A total of 31 students were identified as gifted and talented.

However, the process has not concluded for three campuses; Benson, Batesville, and Morales Jr. High. UCISD intends to complete the spring identification by the end of April. An updated report will be filed once the identification process is completed.

### XIII Annual Report and Documentation Report

#11 – The number and percentages of students by race, ethnicity and LEP status during the current school year of students applying for entry, denied entry and accepted for entry into the GT Program district-wide.

Kindergarten students were all screened for gifted and talented characteristics. A total of 31 students were identified as gifted and talented.

However, the process has not concluded for three campuses; Benson, Batesville, and Morales Jr. High. UCISD intends to complete the spring identification by the end of April. An updated report will be filed once the identification process is completed.
